## PRESIDENT'S NOTE

### Warm CUG Greetings !!!

It is with immense pride and gratitude that I serve as the President of the Rotaract Club of Covai User Group for this Rotary year 2025-26. This role is not just a title but a commitment – a pledge to lead with purpose, serve with passion, and inspire through action.

July has been an incredible start to our journey. From the Jumpstart Movement and the Equestrian Champions League, where we brought joy to over 100 orphanage students, to the Eagle's Green Mission, where we distributed more than 100 saplings, every initiative reflected our club's vision to create a lasting impact. We also strengthened our bond with our Rotary family by attending the Installation of the Rotary Club of Coimbatore Satellite and began preparations for our 18th Club Installation Ceremony.

As we take flight this year, let's carry the spirit of the eagle – soaring high with courage, focus, and vision. Together, we will transform ideas into actions, challenges into opportunities, and moments into memories.

**With Regards,**

# EMPOWERED

## Empowered - Fee Donation to a College Student

On 31st July 2025, the sky above Coimbatore shone a little brighter – not with fireworks, but with hope. Under the banner of Rotary International District 3206, 15 Rotaract Clubs united for one powerful mission: EmpowerED.

Like the roots of a strong tree, these clubs intertwined their efforts to support a deserving college student, ensuring that financial hurdles would never clip the wings of ambition. With each club representing a branch of compassion, their collective act became the fruit of opportunity – the gift of education.

This initiative reminded us that the true measure of service lies not in the scale of the act, but in the lives it touches. One student's path has been cleared, but the ripple of inspiration will continue far beyond – lighting the way for many more to follow.

## Volunteering at the Equestrian Champions League 2025

From 4th to 6th July 2025, our members had the privilege of volunteering at the grand debut of the Equestrian Champions League – India's first-ever show jumping league – held at The Equestrian Crest, Molapalayam, Coimbatore.

With events like The Inaugural Event, The Drift Series, and The Soar Series, the league was a spectacular blend of speed, skill, and sporting spirit. As volunteers, we were at the heart of the action – assisting in event coordination, guiding guests, supporting participants, and ensuring smooth execution throughout the three days.

Beyond the thrill of witnessing world-class riders and majestic horses in action, volunteering here was about embracing teamwork, discipline, and the joy of contributing to a historic sporting milestone in India. The experience left us inspired – proving once again that in service, we find the true spirit of Rotaract.

# STRANGE AND SURPRISING SIDE OF HISTORY FROM BCE TO CE

## Unveiling the Untold – A Journey Through History 📖

In collaboration with the Institute of Liberal Studies, this special lecture brought to light the hidden, strange, and surprising facets of world history – tracing the arc of human civilization from BCE (Before Common Era) to CE (Common Era).

The session featured Mr. E. Janarthanan, a renowned speaker celebrated for his engaging and unconventional approach to historical storytelling. With his unique perspective, participants were transported through time, uncovering narratives often overlooked in traditional history lessons.

This knowledge-sharing initiative aimed to spark curiosity, inspire deeper thinking, and cultivate a lasting interest in liberal studies and history. More than just a lecture, it became a platform for intellectual engagement – encouraging the community, especially youth, to see the past not as a static record, but as a living, evolving story that shapes our present and future.
